

Compass for your cause

BBVA Compass is a Sunbelt-based financial institution with offices in Alabama, Arizona, Colorado, Florida, New Mexico and Texas. BBVA Compass is the 15th largest U.S. commercial bank based on deposit market share and ranks as the third largest bank in Alabama, fourth largest bank in Texas and fifth largest bank in Arizona.

Compass Bank is involved with a program called "Compass for your Cause"

- No checks to write.
- No direct mail.
- In other words, no hassles.

The Compass For Your Cause Program allows you to support The Western Dressage Association™ of Colorado, by doing something many of you do virtually every day—use your check card for everyday purchases. And it's easy to get started. You simply:

- Open a BBVA Compass Checking Account
- Open a Compass Visa® Check Card
- Sign for purchases using the Check Card

That's all there is to it. Every time you use your Check Card for qualifying purchases, the club earns royalties.

Current Compass Bank customers can help the club earn money by calling Marc Chandler at 303-217-2210 and updating your account to include our organizations code 88989

There is no cost or change to your account
