- 1. Assumption of Risks.** I acknowledge that there are numerous inherent risks associated with equine activities, including but not limited to: (a) the propensity of equines to behave in such ways as to result in injury or death to persons around them; (b) the unpredictability of an equine's reaction to such things as sounds, sudden movements, unfamiliar objects, persons or other animals; (c) collision with other animals; and (d) the potential of participants to act in a negligent manner that may contribute to injury to the participant or others. With full knowledge and appreciation of these and other inherent risks associated with the Activities, I freely and voluntarily assume such risks.
- 2. Waiver and Release of Liability.** Understanding and assuming the risks of the Activities, I hereby waive any and all rights to sue and hereby release the Event Sponsors and their respective directors, officers, members, employees, volunteers, agents, contractors and representatives (collectively, the "Releases") from any and all liability, loss, claims or actions that I, my assignees, heirs, or legal representatives may have for property damage, injury or death (including to my horse) resulting from the Activities. This waiver and release is effective even if the property damage, injury or death is caused by or contributed to by actions or failure to act of the Releases that constitute ordinary negligence or a violation of any applicable law pertaining to equine activity liabilities.
- 3. Permission to Summon Medical Assistance.** If I am injured during the course of participating in the Activities and am unable to verbally communicate, I hereby grant permission to the Event Sponsors to summon medical assistance for me if they deem it necessary in their sole discretion. - 6. I,** for myself and/or on behalf of my child or legal ward, have been fully warned and advised by the WDACO, and their clinicians, judges and facilitators, hereinafter referred to Agent, that I should purchase and wear properly fitted and secured ASTM-standard/SEI-certified protective headgear (helmet and strap) that is designed for use by equestrians when riding or near horses and ponies in order to reduce the severity of some head injuries and possible prevent death from happening as the result of a fall or other occurrences. I am not relying on the Agent or anyone affiliated with the Agent

to provide a certified equestrian helmet or headgear for me, to check any helmet or strap that I may wear or to monitor my compliance with this suggestion at any time - now or in the future. Children under the age of 18 must wear a helmet. If I choose to wear an ASTMstandard/SEI certified helmet and headgear, or if I choose not to, this is my decision alone.
