Is proud to present:

FIX A TEST: Tips from the Judge

Clinic Date: Saturday, August 16, 2025
Douglas County Fairgrounds, Castle Rock, CO.

Clinician: Julie Haugan
R rated Judge, WDAA World Champion, and Trainer

Julie Haugan has over 30 years' experience training multiple breeds and all levels of riders.

She has won or helped clients win over 45 National and World titles in the Morgan breed and Western Dressage arenas.

The principles of dressage are at the core of her passion for helping the horse and rider become the best team they can be. Her biggest pride is seeing her clients succeed in the arena, both at home and at shows.

Fix a Test: Tips from the Judge is an exciting new take on our previous pre-show clinics. Differentiated for each level of rider, the day will be divided into two sessions, Morning: *Introductory/Basic level riders* and Afternoon: *First level riders and above*.

Julie will begin each session with a presentation of the level(s) and its requirements. She will identify the challenges where riders typically lose points and where they can earn extra points.

Each rider will have the opportunity to ride a test and receive feedback on the specific challenges of that test. Afterwards, they will re-ride, integrating the feedback and increasing their understanding of where and how they can improve their riding for the show ring or their home arena.

All riders are encouraged to observe the other session, whether to improve their foundation, better understand their test scores, or to prepare for specific challenges they can anticipate in the future. Lots of new learning for all!

Clinic Schedule:
