SUITABLE FOR ALL RIDERS WANTING TO LEARN ABOUT WESTERN DRESSAGE AND CURRENT WESTERN DRESSAGE RIDERS WANTING TO REFINE THEIR SKILLS

Morning Session

Following a general introduction and overview of Western Dressage in the morning, you and your horse will work in a small group (max 4 riders) where Ann will evaluate your horse, your own skills as a rider and provide you with a potential “game plan” with how to proceed in Western Dressage. Sessions will be 1 hour.

Afternoon Session

For riders who already are familiar with Western Dressage, you will have 1:1 time with Ann to work on advancing specific movements. Each session will be individual and 45 minutes.

Riders will leave with a short, written evaluation highlighting the strengths and weaknesses of both you and your horse and ideas on how to optimize the strengths of your partnership together.
